HUXWRX Safety Co. Contributes \$40,000 to Support the American Suppressor Association

Millcreek, UT — The American Suppressor Association (ASA) is proud to announce that HUXWRX Safety Co. has contributed \$40,000 to support its fight to protect and expand suppressor rights across the country. As a valued sponsor, HUXWRX Safety Co. is playing a key role in ensuring ASA can continue its vital advocacy efforts at both the state and federal levels.

“At HUXWRX Safety Co., our commitment to innovation is matched by our dedication to responsible firearm ownership,” said Darrell Marrow, Sr. VP of Sales at HUXWRX Safety Co.. “Supporting ASA’s mission to educate the public and advance suppressor rights reflects our core values, and we’re proud to contribute to such a significant cause.”

HUXWRX Safety Co. is renowned for its cutting-edge technology and high-quality products that serve the needs of the Second Amendment community. The company provides superior suppressors and firearm accessories that not only enhance the shooting experience but also underscore its commitment to the rights and safety of firearm enthusiasts nationwide. As a human exposure workshop, HUXWRX Safety Co. is dedicated to building products optimized for customer safety and health without compromising efficiency or performance. The team is deeply passionate about its mission, delivering exceptional products and top-notch customer support while upholding American manufacturing values by producing all its suppressors in Millcreek, Utah.

“The increase in support from HUXWRX Safety Co. is an absolute game-changer for ASA,” said Knox Williams, Executive Director of ASA. “Their contribution will directly bolster our legislative and educational initiatives, helping us break down misconceptions about suppressors and advocate for common sense pro-suppressor reform. At the end of the day, suppressors are hearing safety devices that every law-abiding American should have the ability to own.”

ABOUT THE AMERICAN SUPPRESSOR ASSOCIATION

Founded in 2011, the American Suppressor Association has been instrumental in promoting the rights of suppressor owners nationwide, advocating for legal reform, and educating the public about the benefits of suppressors. ASA’s successful campaigns have resulted in the legalization of suppressors in three states, the use of suppressors while hunting in 19 states, the defeat of numerous attempts to impose state level bans, and the dramatic improvements to NFA transfer times.
