

CERAM-X

v10.01.24

ELITE HIGH-TEMPERATURE GREASE

SUPERIOR LUBRICATION AND PROTECTION

KEY FEATURES AND BENEFITS:

- **Metal-Free and Non-Toxic:**
Safe for users and compatible with a wide range of materials.
- **Easy Disassembly:**
Effortless removal, even after prolonged use, for convenient maintenance and cleaning.
- **Long-Lasting Protection:**
Unmatched resistance to seizures, corrosion, and wear—even under extreme conditions.
- **Extraordinary Temperature Resistance:**
Maintains optimal performance from -20°C to $1,500^{\circ}\text{C}$ (-4°F to $2,732^{\circ}\text{F}$) with minimal smoke generation.
- **Trusted by HUXWRX:**
Used in the assembly of HUXWRX components and suppressors.

Ceram-X™ Grease is a cutting-edge lubricant specifically formulated for demanding firearm applications. Its unique properties ensure superior performance and protection in high-temperature environments, making it ideal for muzzle devices, threads, adapters, choke tubes, piston systems, 3-lug adaptable components, and more.

With its exceptional performance and ease of use, Ceram-X™ Grease is the go-to choice for firearm enthusiasts and professionals seeking top-tier lubrication and protection. Ceram-X™ Grease is simple to apply using the built-in applicator and a gentle squeeze. Wipe away any excess with a paper towel or spare rag; avoid contact with clothing.
